React	jQuery
Apollo	MongoDB
GraphQL	Express
JavaScript	JSON APIs
CSS3	
SCSS	
Redux	
HTML5	

EDUCATION

Software Development (Web development)
FreeCodeCamp,
freecodecamp.org

RESUME

Dedicated self-taught software developer relatively new to the industry. Eager to build robust code for high value/volume companies and learn new programming languages along the way. Currently looking for the next great step for my career and would love to get working with you.
